Mr. Don Lee  
77 Arts Academy  
77 Powder Mill Road  
Acton, MA 01720

Dear Mr. Lee,

Congratulations! The *77 Arts Academy Spring Benefit* was a great success, raising over \$200 for Children's Hospital Boston! We're honored by your generosity to the hospital.

When parents seek treatment for a child who is ill, they hope for exceptional care, compassion, and expertise—a hub of excellence, where the world's leading specialists work tirelessly to invent better treatments and cures. Children's Hospital Boston is that place—where world-class, compassionate care and research come together to offer hope for young patients and their families. Your kindhearted support of the Children's Fund helps us keep our commitment to innovation and excellence.

On behalf of the hospital and the families we serve, please extend our sincere thanks to everyone who helped make this event a success.

Sincerely,

James Mandell, M.D.
